Hello Thomas, I am from Miami Florida..I am deaf Cuba-American citizen.I lives here for 25 yrs.
My commets about FCC may be a mistake to eliminate the award of Brown Bag from Hovrs(HANDS ON).I
want to continue with that because our deaf community who Sign Languages skill as an interprinter on
VRS/VCO better than TTY because Most deaf people write type very slow and lost times.The operators TRS is
easy to be confortambly tty deaf is waiting for ga that called lazy TRS himself fast that is okey but our deaf
people still higher typewriter slower and lost times.Vrs is more fast and save times to use to call Doctor,Court
appoinements,Insurance etc. One is very important things our deaf people earn very low income and take it
better for the reisemburse
